EMOTION DRIVE 0304020PE - plastic trolley

Advised for 10-12 room service - Maximum pull-out shelf capacity 30 kg

APPLICATIONS

Service trolley to carry clean linen and towels in hotels and communities.

Used for handling heavy loads (up to 150 kg), it facilitates use on external floors and carpets, and facilitates transport uphill and downhill with various degrees of slope (up to 8°).

ECO BOX **ECO-FRIENDLY PRODUCT**

Product made of separable materials; once the battery has been removed, the trolley is recyclable at the end of its life. Product sold in packaging compliant with Legislative Decree 116 of 03-09-2020 concerning the obligation of environmental labeling for correct disposal at the end of use. 99% of the cardboard packaging used by the company is made on average with 80% recycled paper

FEATURES

- It is equipped with an electric motor and control console that facilitate and speed up movement without requiring effort by the operator, preventing the onset of occupational diseases. It features speed regulation and emergency stop systems. The battery offers up to 8 hours of use, while the USB socket can be used to recharge mobile phones and tablets
- Made of high quality polypropylene copolymer: light, shock-proof, heavy duty and low-temperature resistant
- It is handy, strong, extremely modular and easy to clean
- Elegant, nice and good looking trolley
- The side walls can be customized with images, special designs, pictures or brands, on request. The trolley becomes an advertising vehicle or an integrated part of the environment where it is used
- Doors grant the highest hygiene and safety and the trolley is, at the same time, clean and tidy
- Doors have a completely smooth surface, equipped with double locking system with removable key and a functional key compartment. They have a 270-degree opening for a better functionality during cleaning operations
- The pull-out shelf can support up to 30 kg, if equally distributed on its entire surface
- Practical and ergonomic push handle with groove and rubber strap
- Handy sliding trays with lock and removable locking key, ideal to store working and personal tools, such as mobile phone, tablet, documents, etc... and keep them safe.
- Strong shelves with smooth surface for an easy cleaning and with slide out limiter for the highest security
- Possibility to add extra shelves and/or drawers 10 L, 22 L, 40 L, with or without lock
- Thanks to its several components this trolley can be fully accessorized and, consequently, it is ideal for any situation: not only for the change from dirty to clean linen, but also for the cleaning of the room and bathroom, for waste collection and mini-bar refilling.
